Dear Parents/Guardians:

The Chariho Sports Boosters is a nonprofit organization that provides support to all the sports teams, student athletes, and coaches at Chariho High School and Chariho Middle School. This organization has been in existence for twenty years, and currently there are only seven members. Of the seven members, none have any school-aged children enrolled in Chariho schools.

The Boosters Club is eagerly looking for parents, guardians, and community members to consider joining this vital organization that directly supports the Chariho Athletic Department and Chariho sports teams. Without the Boosters Club, the sports teams would face a significant loss given all they do for our school and athletes. Listed below are just some of the significant contributions that the Boosters Club makes to our Athletic Program:

- Food and concessions at many of our sporting events
- Team jackets for state championship teams
- Financial support for students who qualify for national competitions
- Invitational fees for tournaments
- Banquet fees for athletes
- Equipment that is not a part of the athletic budget
- Yearly athletic banquet for seniors

We need parents to volunteer their time to ensure the future of the Chariho Sports Boosters and their support of our Athletic Program. Please consider becoming members. For more information contact John Devereaux at (401) 539-7628 or me. Monthly meetings are held on the second Wednesday of each month at the high school at 7:00 PM in Room A-10.

We need your help.

Sincerely yours,

Michael R. Shiels
Athletic Director
