Notes from the office: Please remember to bring a picture ID with you if you will be picking your child up from school. Since we are both new in the Charlestown School office we are checking IDs and being extra careful when releasing students. If anyone other than you is picking them up, please be sure to let us know who will be picking them up. We cannot release children to someone, **EVEN IF THEY ARE ON YOUR EMERGENCY LIST**, unless we hear from a parent saying that's okay. If you are picking your child up on a regular basis (i.e. every Monday), one note for the entire year will be sufficient --if this changes please be sure to notify us.

All students being picked up by parents will be dismissed from the cafeteria. If you come into the office to pick up your child, unless it's an early dismissal (before 3:00), you will be re-directed to the cafeteria to sign your child out and your child will meet you there. Thank you for your patience and understanding as we try to make the dismissal procedure safe and efficient.
