

Chariho Regional School District
Office of the Director of Administration & Finance

455A Switch Road
Wood River Junction, Rhode Island 02894

All Kids...All of the Time

Dear Prospective Employee:

The Rules and Regulations of the State of Rhode Island, Department of Health requires that a physician certify that you are free of communicable tuberculosis. This certification must be based on a skin test.

If your skin test is positive, you will probably need an x-ray.

Please have your physician complete the form below:

Name of Prospective Employee: _____

Mantoux (PPD) skin test performed _____ Results _____
Date (mm)

If the Mantoux skin test was positive (≥ 10 mm) I certify the above name person has:

- A history of adequate treatment for tuberculosis, specify _____
- Is currently under my care for this infection and is not now communicable
- Shows no indications of present disease on a ches x-ray taken in the past 6 months

Based on the above and my physical examination, I certify this person to be free of TB in its communicable form.

Signature of Physician, Degree

Date

Printed name of Physician

NOTE TO PHYSICIAN: An x-ray may not be substituted for a Mantoux skin test.

The Chariho Regional School District does not discriminate on the basis of age, gender, marital status, race, religion, national origin, color, creed, political affiliation, sexual orientation, or handicap in accordance with applicable law.
