

## **SCHOOL CALENDAR**

1. Schools will open for students no earlier than the week prior to Labor Day.
2. The school calendar published by the school committee will be adhered to unless schools have been closed due to emergency situations beyond 5 days prior to March 1st. In that case, the superintendent will submit a plan for making up the days in excess of five, which may include making up no more than half the days during the April recess. The superintendent shall submit such a plan at the first school committee meeting in March.
3. The school calendar will reflect the three standard recess periods: December, February and April.
4. The school calendar will provide for staff orientation programs approved by the superintendent.
