

SCHOOL CANCELLATION

1. The superintendent or his/her designee will be responsible for the decision to cancel school, to dismiss school early, or to delay the starting time of school due to inclement weather or other emergency situations.
2. The decision to cancel school, dismiss school early or delay the starting time of school due to inclement weather will be made after consultation with the bus company, police and/or member town public works' departments, weather forecasts from the National Weather Service, and, if appropriate, with emergency management personnel and other administrators.
3. The superintendent and/or designee will inform the RI Broadcasters Association and parents, students, and employees through an automated phone service when a decision is reached concerning a cancellation, early dismissal, or delay of school operations.
4. The Chariho Regional School District assumes no liability for the failure of the RI Broadcasters Association or automated phone service to communicate to the public.
