

# Chariho Regional School District

February 2021  
E-Update

Our school committee would like your feedback on what option you believe would be the best direction for our district to move forward with as we prepare to develop an updated capital improvement plan. Once the committee determines the

best direction based on feedback and data this decision will then be moved to a vote for all our taxpayers to weigh in. [Click here](#) to access our Necessity for School Construction survey to ensure we hear your feedback. ## Spreading Smiles in Chariho- February- We Love Chariho

Starting this month, Chariho Regional Schools will be starting a monthly spreading smiles initiative. Our February theme is We Love Chariho and we are asking everyone to show their support by placing a green heart that you created on your window, door, car, or virtual screen to spread some cheer. We are looking forward to all the ways our community will spread their smiles! Tag [@CharihoRegional](#) on Twitter using [#welovechariho](#) once your heart is posted.

## Important Travel Guidance

The District defines "travel" as going to another state ([on the hot spot list](#) at the time of travel- *please note states can come on and off the list during your travel*) to attend any event/performance, family gathering/party/reunion with people outside of your immediate household. It does not matter if it is overnight or a day trip. Before you travel, we encourage you to think carefully about whether the travel is necessary or in the best interest of your household.

Our school committee approved policy can be found [here](#). In the event there are families who must travel, we ask that you inform your school principal so that we can accurately record absences and communicate with staff about attendance and plans for continuity of education upon return.
