## CHARIHO HIGH SCHOOL AMPHITHEATER RIBBON CUTTING

On October 13th Chariho staff, student, alumni and community members celebrated the official opening of the Charger AMPHitheater. Thanks to a generous grant received from the Champlin Foundation last year the Chariho High School Band room was renovated to serve as a more flexible learning and performing space. Through the grant, new industrial flooring, a new sound system, riser seating, practice mirrors and other classroom related items were purchased to enhance this space.

The ribbon cutting included short performances by current students as well as recent alumni.
