

Chariho Regional School District

FY '24 School Budget Vote-April 4, 2023

District Highlights

- The District secured over \$2.1 million dollars by applying for grants to offset costs to taxpayers.
- We continue to work diligently to maintain small class sizes.
- Our Schools showed an overall increase of 11.2 % in mathematics based on the current State Assessment results.
- We have three Blue Ribbon Elementary Schools.
- According to the US News & World Report:
 - Three of our Elementary Schools are ranked in the Top 10 of all RI Elementary Schools
 - Chariho Middle School is ranked in the Top 25 of all RI Middle Schools
 - Chariho High School is ranked in the Top 10 among all RI High Schools
- Chariho High School/CTC students have access to over 21 Pathways and Programs.
- Chariho High School offers over 20 Advanced Placement (AP) courses. Chariho students are outperforming their peers across the state in AP Computer Science, AP Biology, and AP Spanish Language and Culture.
- We have created centralized registration so our families have easy access to register their children for school.
- Chariho Regional School District is recognized by the community as its greatest asset.

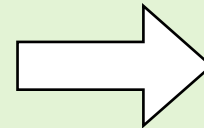

Important Budget Information for the April 4th Vote

- The local budget total is **\$57,134,310** an increase from last year of **1.74%**.
- The impact to each town is: **Charlestown 1.67%**; **Richmond 1.47%**; **Hopkinton 2.07%**
- During the Budget Workshops and School Committee meetings, the budget was reduced by \$1.2 million.
- Inflation has increased over 5% and there have been large increases in safety enhancements, utilities, and oil.
- The District has a Five Year Budget Forecast/Projection that can be found on the Chariho Website as well as the Municipal Transparency Portal (MTP).
- In the Governor's proposed budget, he has increased State Aid to the Chariho District based on our current success rate on state assessments, as well as fully funding transportation.
