**Flu Mist is not being offered this year based on CDC recommendations.
We apologize for any inconvenience this may cause.**

SCREENING FOR FLU VACCINE ELIGIBILITY

If the answer to any question is "Yes", then we cannot vaccinate in school. Please contact your doctor to discuss options.

1. Any serious allergy to eggs?	Yes	No
2. Ever had a serious reaction to previous dose of flu vaccine that required medical attention?	Yes	No
3. Ever had Guillain-Barre Syndrome (temporary severe muscle weakness) after receiving flu vaccine?	Yes	No
4. Any allergy to Thimerosal or Latex?	Yes	No

I have answered "NO" to questions 1-4. I have viewed the Vaccine Information Statement(s) at www.immunize.org or viewed a hard copy obtained by calling the Rhode Island Department of Health (401-222-5960).

I understand the benefits and risks of the vaccine.

The injectable flu vaccine should be given to the person named above for whom I am authorized to make this request. I understand that I can review a Notice of Privacy Practice at the time of vaccination.
